Note 6

I have taken the liberty of re-examining the case even though the earlier proposals were agreed to by the Finance Department and had been approved of by the Minister for Forests.

The proposals were to charge a rent of Rs. 3 per acre per year to Shri Shamsundar Mahantagi, Sri Pampasarovar Anagundi to whom 20 acres of land out of Forest S. No.3

of Rangapur village has been leased for a period of 10 years for starting a Dairy under Government order No.AFD.394 FGL 67 dated 25th January 1968. While the order was issued sanctioning the lease, the rent amount was not mentioned and hence the C.C.F. had made separate proposals for fixing a suitable rent, suggesting that a rent of Rs. ~~3/-~~ per acre per year may be reasonable. The sum of Rs. 3/- per acre per year was recommended by the C.C.F. on the ground that similar amount of rent had been fixed in respect of the land leased to the Kamadhenu Cooperative Food Processing and Dairy Society. It was felt that the position of an individual cannot be considered as similar to one of a Cooperative Society and that the rent of Rs. 3/- per year per acre to be charged to an individual was too low. The office was therefore requested to re-examine the case and they have put up another 2 cases wherein the lease amount has been fixed at Rs. 150/- per acre per year. The purposes for which the lands have been granted in the two cases, mentioned in note 5, ~~is~~ are altogether different and not comparable with the purpose for which the land in question has been leased out to Shri Shamsundar Mahantagi. It is seen from the report of the Tahsildar, Gangavathi addressed to the Range Forest Officer, Gangavathi under his No. 1065 LND/65-66 dated 18/9/69 that a sum of Rs. 20/- per annum will be considered as fair rent for the land in question. It is not clear whether the sum of Rs. 20/- referred to by the Tahsildar is for the whole land of 20 acres or whether it is per acre. Presuming it is per acre, which appears even otherwise reasonable, it is suggested that the rent may be fixed at Rs. 20/- per acre per annum.

I enclose herewith a copy of letter No.M-2/GFL/157/67-68 Dated 30-11-69 together with its enclosure received from the Conservator of Forests, Bellary.

Since the Government have not proposed the levy of rent in the above case and the land is intended for starting a Dairy farm, the Conservator of Forests, has proposed a rent of Re.1/- per acre per year in this case. This is reported to be based on the report of the Tahasildar, Gangavati.

S.R 21/1

It may be stated that ~~the Government~~ in the case of lease of land to Messrs.Kanadhenu Co-op.Fruit processing and Dairy Society the Government have fixed a rent of Rs.3/- per acre per year for the purpose of Dairy farming (Vide Government Order No.AFD-183-FGL-69 Dated 2-12-69) and this rate appears to be reasonable and may be ordered to be recovered in this case also.

-:0:-

I write to state that in the Government Order, cited above 20 acres of land in S.No.3 of Rangapur village has been granted in favour of Sri. Shamsunder Mahantagi, Sri. Pampasaravor, Anegundi on lease basis for a period of ten years. The lease deed has to be executed with the Department by the lessee. The public Prosecutor, Raichur, who has scrutinised the lease deed has suggested that rent has not been fixed to this land either annually or monthly as per his letter No.640/68 dated 22-11-68 (copy enclosed). The Divisional Forest Officer, Raichur, after consultation with the Tansildar, Gangavati has proposed a fair rate of rent of Rs.20/- per annum for the land in question vide his letter No.Sy-G-175-30/66-67 dated 13-10-69 (copy enclosed). As there is no condition about the rate of rent fixed in the Government Order, I request you, kindly to sanction rate of rent as proposed by the Divisional Forest Officer and communicate orders for taking further action in the matter.
